ABOUT

A Computer Science student with a strong interest in development in general. Experienced developing web and mobile applications, AI-powered tools, from academic, internship, and personal projects. Passionate about building efficient solutions and continuously learning with eagerness.

EDUCATIONAL BACKGROUND

University of Cebu – Main Campus

Sanciangko St., Cebu City, Cebu

Bachelor of Science in Computer Science

2022-2026

- Coursework: Object-Oriented Programming, Data Structures, Database Management, Operating Systems

EXPERIENCE

Web Developer Intern | Next.js, TypeScript, Tailwind

Sept 2025 – Nov 2025

Right Apps Incorporated

Brgy. San Nicolas, Cebu City, Cebu

- Designed and implemented 5+ critical modules—covering automated Purchase Orders, Stock Transactions, and Adjustments—improving the Lending App's data retrieval speeds by 30%.
- Optimized reusable UI components, cutting front-end development time by 20% and improving rendering speeds by 50%.
- Collaborated with teammates using Git and branch merging workflows

Computer Troubleshooting | Hardware & Software

Aug 2022 – Present

Freelancing

Cebu City, Cebu

- Provided on-call desktop repair and maintenance services for the local community, achieving a rating of 5/5.
- Built, configured, and recommended custom desktop computers tailored to client specifications, managing budgets ranging from Php 15,000 to Php 45,000.

PROJECTS

TiwalaChain | Web App | Blockchain, Solidity, ASP.NET, Next.js, Python, FastAPI, PostgreSQL

Feb 2026

- Applied a generative AI with a fine-tuned LEGAL-BERT as model for contract fairness checking for users to use.
- Assisted in debugging, fixing layout inconsistencies, and optimizing responsiveness using lazy-loading.
- Collaborated with team members on contributing to testing and improving overall user experience.

NutriScan | Android App | Flutter, Dart, Firebase

May 2025

- Designed and developed the interactive frontend interface for a nutritional app featuring an AI chatbot.
- Implemented an API wrapper for the AI model, enabling the chatbot to deliver accurate nutritional analysis and personalized dietary suggestions.

Student Community Forum | Web App | React, TypeScript, Vite, Tailwind, SCSS

Nov 2024

- Designed and applied responsive navigation sidebars, optimizing user journey and cross-device accessibility.

TECHNICAL SKILLS

Programming Languages

Java, C#, HTML, CSS, JavaScript, Dart, SQL, TypeScript

Frameworks

React.js, React Native, ASP.NET, Node.js, Flutter, Next.js

Tools & Platform

Git, Android Studio, Visual Studio, MySQL, SQLite, PostgreSQL, Figma
